OVERVIEW

The Saturn 40 features a wall-mount interface elegantly crafted for smart control over lights, AC, music, curtain, scenes, security, etc. This solution comes in black casing and glass screen. The square look of Saturn 40 along with nice icons and display make it ideal to upgrade a room's aesthetics while enjoying smart technology.

KEY BENEFITS

➕ Works with TIS BUS & TIS AIR networks

➕ Brings control of home components under one single hub

➕ Nice control dashboard with attractive graphics

➕ Fits in UK standard junction boxes

KEY FEATURES

⭐ Touch panel, compatible with other TIS devices

⭐ Built-in relays for lighting control

⭐ Capable of scene creation if used for lighting

⭐ Built-in speaker and microphone
